MYRO WULFF

vita

MYRO WULFF is a German born fashion and portrait photographer, who spends his life living and working in London.

His simple, natural, yet sophisticated shooting style has merged from his time studying at Central Saint Martins University and years spent working with some of the industries leading fashion photographers such as Sølve Sundsbø, Josh Olins, Steven Klein und Txema Yeste.

MYRO WULFF'S work has been exhibited in galleries in New York and has been featured in international publications.
