## CARIOCA STUDIO

photographer / director / image concept

### about

Carioca Studio is a full service image concept house based in Bucharest, Romania. The studio is specialised in advertising stills and video executions. We offer integrated visual services ranging from production (locations / casting / hair and make-up artists / set construction / mock-ups) to execution (photography / directing / CGI / illustration / FX / animation) and to video & stills post-production.

Carioca has 3 in-house photographers and directors with artistic backgrounds and advertising experience. Carioca has a team of about 22 full time employees that are organised into production, execution, post-production and CGI departments. All of Carioca's works are created in house by the studio and are proudly signed with the name of the studio.

Carioca's clients come from numerous places around the world including Canada / USA / South America / GB / France / Italy / Germany / Poland to South Africa / Turkey / Russia / Dubai / Qatar / China / India / Vietnam.
